Our Elders and Leaders agree that a Vision for Kitaskiinan Kawekanawaynichikatek needs to come from the people, with input from as many members as possible. We welcome you to share your thoughts about:

- **a story about your connection to the land, or**
- **what you love about the land.**

Please provide your response below, and feel free to add more pages if there is not enough space. We love the Ininimowin / Cree language - please use the language if you like!!!
